

Vendor Commission Form

To set-up your agency please fill out the attached form. Once completed please e-mail to scott.wallace@europcar.com or fax (+61 3 9335 7600), from there it will take 1-2 business days to set-up a unique account for you to make bookings through our 24/7 Reservations Team (1300 13 68 86), your GDS or our online booking system.

Once set-up you'll be able to make bookings with Europcar globally.

Clients pay for their rental on arrival and your commission is paid to you the month after travel has been completed.

Commission is only applied to the vehicle component not to fees and taxes.
